COMMERCIAL OFFER

BASH EMIR — Supplies of petroleum products

Dear partners,
Bash Emir offers stable and long-term supplies
petroleum products from Russia, Kazakhstan, Azerbaijan, and Turkmenistan.
We work directly with manufacturers and trusted suppliers.
We establish direct partnerships with factories, ensuring
fair terms, transparency of transactions, and guaranteed volumes.

Products offered:

- Petroleum coke
- Automotive gasoline
- Diesel fuel
- Base oils of all categories
- Bitumen
- Barite
- Fuel oil
- Petrochemical materials on request

Terms of delivery
- **Incoterms:** FOB, CIF, CFR, DAP
- **Minimum volume: from 1,000 tons (depending on the position)**
- **Documents: COA, MSDS, SGS before loading**
- **Payment: T/T, L/C, partial prepayment**

Our advantages
- contracts with manufacturers;
- access to large volumes and flexible pricing;
- quality control at every stage;
- operational logistics;
- personal transaction support;
- transparency and reliability.

WHY WORK WITH BASH EMIR

- anti-corruption procurement in stable batches
- Long-term contracts
- Transparency and honesty at every stage
- Quick solutions and prompt communication
- International logistics and full transaction support
